

Cultivated Tomato Cluster 3

Biological Process

GO:0019752, carboxylic acid metabolic process

GO:0006457, protein folding

GO:0015936, coenzyme A metabolic process

GO:0009628, response to abiotic stimulus

GO:0016117, carotenoid biosynthetic process

GO:0055114, oxidation–reduction process

GO:0009058, biosynthetic process

GO:0005985, sucrose metabolic process

GO:0015031, protein transport
