

# Orthogroups by Species Cluster 4

Biological Process

GO:0010274, hydrotropism

GO:0031399, regulation of protein modification

GO:0000096, sulfur amino acid metabolic process

GO:0019220, regulation of phosphate metabolic

GO:0051726, regulation of cell cycle

GO:0006779, porphyrin-containing compound

GO:0050790, regulation of catalytic activity
