

Orthogroups by Species Cluster 1

Biological Process

- GO:0048518, positive regulation of biological
- GO:0044087, regulation of cellular component
- GO:0071824, protein–DNA complex subunit organization
- GO:0007010, cytoskeleton organization
- GO:0033043, regulation of organelle organization
- GO:1903047, mitotic cell cycle process
- GO:0006310, DNA recombination
- GO:0006261, DNA–dependent DNA replication
