

# Orthogroups by Fruit Cluster 1

Biological Process

- GO:0019752, carboxylic acid metabolic process
- GO:0006418, tRNA aminoacylation for protein
- GO:0009067, aspartate family amino acid
- GO:0016310, phosphorylation
- GO:0009152, purine ribonucleotide biosynthetic
- GO:0006486, protein glycosylation
- GO:0015980, energy derivation by oxidation of
- GO:0009250, glucan biosynthetic process
- GO:0034404, nucleobase-containing small molecule
- GO:0019439, aromatic compound catabolic process
- GO:0015986, ATP synthesis coupled proton transport
